The focus of this position would be broad in scope and focus on the specific interests of the Secretary and provide assistance on a wide variety of health-care areas related to the broader sphere of health care, womens issues, and other related itopics. s Th new position would be unprecedented in DVA history but would be consistent with similar positions at the Department of Health and Human Services as well as in the Office of the Surgeon General. This advisory position would also send a posi-tive message to all VA nurses in the field, as well as to those in the broader nursing community. It would communicate that the role of a nursing is valued within the DVA and that nursing is important enough to the mission of the DVA to make this positive change. CONCLUSION I again thank you...
