

Simplified and Illustrated Breast Pathology: A Book for All Breast Care Providers

By Rohit Bhargava

Jaypee Brothers Medical Publishers (P) Ltd., 2015. Softcover. Book Condition: New. This volume entitled Simplified and Illustrated Breast Pathology is unique as it meets the needs of both pathologists and non-pathologists. It is not unusual for clinicians to receive complex breast pathology reports that require clarification from a pathologist, and sometimes pathologists are uncertain about the rationale underlying requests they receive from clinicians. The book helps to bridge that communication divide. It explains breast tissue histopathology in simple language and uses the very helpful feature of annotated figures to explain standard pathology terminology. Further it addresses standardized formats for reporting and provides reasons for performing or not performing a particular test or procedure. The chapter on Diagnostic Immunohistochemistry explains when and how immunohistochemical stains should be used and catalogs the expected results for particular types of lesions. The chapter on current Prognostic/Predictive Marker Testing in Breast Cancer provides a valuable discussion of both analytic and non-analytic aspects of the tests. This information is immensely helpful to all clinicians, including budding breast surgeons and medical and radiation oncologists. Many researchers will also find this text to be a comprehensive resource as they try to place their basic science findings into a...
