Reviews

The book is fantastic and great. It normally will not cost an excessive amount of. I am just easily could possibly get a satisfaction of reading a published ebook.

(Edgar Witting)

Workman Publishing Company. Hardcover. Book Condition: New. Hardcover. 12 pages. Dimensions: 7.1in. x 5.2in. x 1.1in. Its Waddle! And its in color. And boy, is it irresistible. In the same way that kids cant read Gallop! without wanting to gallop around the room, Waddle!, an animals-in-motion Scanimation book, will inspire prancing, hopping, stomping, and scampering. And did we mention color Created by the optical genius behind the phenomenal 1 and 2 New York Times bestselling childrens books, Gallop! and Swing!, Waddle! adds touches of color to the images and integrates it into the text. That prancing pig is pink, the leaping dolphin is blue, the slithering snake yellow. The Scanimation itself is also more lifelike, as the author continues to refine his patented Scanimation process, resulting in a more fluid, realistic motion. Nothing else compares. Waddle! teaches color and movement. Its language is a joy, the rhymes inspiring, the animals full of life. And one more thing: Waddle! has a surprise ending. Something else to grab the reader literally. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
