THE BLACK CLOUD THAT LINGERS THE GENERATIONAL CURSE

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 62 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. There are many people that are confused with the meaning of (Exodus-20: 5) and have wrongly interpreted this passage to indicate that God is a respecter of persons and of families. They have been taught that the generational curse is brought on people and families because of the genetic makeup of that individual or family! The truth is that they are incorrect and their interpretation of the passage is wrongly interpreted! The question that is asked when an individual or an individual family are experiencing adversities and deaths one after the other in short time frames that the individual or individual family have been specifically picked by God to bring such adversities because of the sins of their descendants before them! This is a false preception of God! God is not a respecter of persons, the curse is not because of genetic makeup! God is just and fair, his thoughts are not our thoughts nor his ways our ways. Most writers dread speaking on this topic for fear of the skeptics, that declare that God is careless in judgment, bent on revenge! This book reveals the truth regarding exactly what the generational curse is; why it is; who is upon; and how the curse can be removed. It is The Black Cloud That Lingers, it is in all truth The Generational Curse! You do not want to be without this inspired book, find out the truth on this matter within the pages of your own Bible reflected within the pages of this book! Get it today and remove the curse!
