Reviews

A must buy book if you need to adding benefit. This is for anyone who statte that there had not been a well worth reading through. Its been designed in an exceptionally straightforward way which is simply right after i finished reading this book where basically changed me, change the way i think.

(Adrien Robel)

THINGS

The University of Chicago Press. Paperback. Book Condition: new. BRAND NEW, Things, Bill Brown, This book is an invitation to think about why children chew pencils; why we talk to our cars, our refrigerators, our computers; rosary beads and worry beads; Cuban cigars; why we no longer wear hats that we can tip to one another and why we don't seem to long to; and what has been described as bourgeois longing. It is an invitation to think about the fetishism of daily life in different times and in different cultures. It is an invitation to rethink several topics of critical inquiry - camp, collage, primitivism, consumer culture, museum culture, the aesthetic object, still life, "things as they are," Renaissance wonders, "the thing itself" - within the rubric of "things," not in an effort to foreclose the question of what sort of things these seem to be, but rather to suggest new questions about how objects produce subjects, about the phenomenology of the material everyday, about the secret life of things. Based on an award-winning special issue of the journal *Critical Inquiry*, *Things* features eighteen thought-provoking essays by contributors including Bill Brown, Matthew L. Jones, Bruno Latour, W. J. T. Mitchell, Jessica Riskin, Jeffrey T. Schnapp, Peter Schwenger, Charity Scribner, and Alan Trachtenberg.
