SAGE Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Death, Dying and Bereavement (2nd Revised edition), Donna L. Dickenson, Malcolm Johnson, Jeanne Samson Katz, 'This second edition, which has also been edited by Samson Katz, utilizes around half of the original text, of which a significant portions has been revised and updated. The remainder comprises new material reflecting both the changes in attitudes generally towards death and dying, and also designed to meet the needs of students undertaking the revised curriculum of the K260. This book will stimulate thinking and challenge the personal views of both academics and those in practice.[A] valuable tool for both those new to the area of palliative and cancer care and those experienced professionals searching for a new angle on several key topics in relation to ethical issues occurring in this speciality.[A]n excellent balance of theoretical contents and moving prose.[T]his book is directed towards all professionals working in health and social care.This book is a must for pre-registration students wishing to gain greater understanding of the psychosocial issues faced by those with a terminal illness and their significant others' - Nurse Education Today The fully revised and updated edition of this bestselling collection combines academic research with professional and personal reflections. Death, Dying and Bereavement addresses both the practical and the more metaphysical aspects of death. Topics such as new methods of pain relief, guidelines for breaking bad news, and current attitudes to euthanasia are considered, while the mystery of death and its wider implications are also explored. A highly distinctive interdisciplinary approach is adopted, including perspectives from literature, theology, sociology and psychology. There are wide-ranging contributions from those who come into professional contact with death and bereavement - doctors, nurses, social workers and councillors. In addition there are more intimate personal accounts from carers...
