H65 2010f OCLC Number: (OCoLC)624302945 Subject: United States -- Officials and employees -- Selection and appointment. Excerpt: . . . 11 Section 6 - Applicant inventory This section requires OPM to establish and keep current a com-prehensive inventory of individuals seeking employment in the Federal Government. The inventory will contain information volun-tarily provided by those applicants for employment who elect to have their information kept on file. The inventory would be made available to agencies for use in filling vacancies. Section 7 - Training This section requires OPM, in consultation with the CHCO Coun-cil, to develop a training program for agency human resources pro-fessionals on implementing the Act and fulfilling its requirements. Agencies would be required to develop a training implementation plan and to report such plan to OPM. Section 8 - Reduction in the length of the hiring process This section requires agency heads, in consultation with OMB, to develop plans to reduce the length of the hiring process. Such plans will include an analysis of the current hiring process, at the time of enactment of this Act, and performed in accordance with stand-ards established by OPM before enactment. To the extent practical, agency plans will also require that a vacancy be filled within an average of 80 calendar days after the vacancy is identified. This section further requires agencies to submit an annual report to Congress on the average time period taken to fill jobs, as well as on job vacancies cancelled or reopened. Section 9 - Measures of Federal hiring effectiveness This section requires each agency to measure and collect infor-mation on key indicators of hiring effectiveness and...
