

The Hairy Hikers: A Coast-to-coast Trek Along the French Pyrenees

Filesize: 8.58 MB

Reviews

The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE HAIRY HIKERS: A COAST-TO-COAST TREK ALONG THE FRENCH PYRENEES

DOWNLOAD

Summersdale Publishers. Paperback. Book Condition: new. BRAND NEW, The Hairy Hikers: A Coast-to-coast Trek Along the French Pyrenees, David Le Vay, With a glint in his eye, Rob turns and asks me if I want to 'touch his furry puma'. I begin to feel a little concerned about the days and weeks ahead; we are only hours into the trip and things have already taken a sinister turn. Thankfully it turns out he is referring to the little embossed logo on his new shirt. Fuelled by a degree of mid-life crisis and the need to escape, albeit temporarily, the dull routine of modern life, David and Rob set out to walk from the Atlantic to the Mediterranean, taking in French villages, beautiful scenery and one of the most spectacular mountain ranges in Europe. Just about perfect - if you can put aside the inevitable conflict, drama and unexpected tedium that results from two men spending over seven solid weeks in each other's company! This humorous, reflective and often poignant account of two increasingly hairy hikers' coast-to-coast trek along the length of the French Pyrenees, revealing the history and geography along the way, will appeal to weekend walkers, serious trekkers and all who simply enjoy a good story of human endeavour and foolishness.
