Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 218 pages. Dimensions: 8.9in. x 5.9in. x 0.4in. There are thousands of stocks. How can you find winners Use one of the many simple screens that are available to you free from many web sites (such as the one from your broker) to find a handle of stocks. The filter criteria could be PE 5, Sales Growth by 20 or a combination. If the screens consistently find you winners, they are good. It is more complicated than that. Otherwise there will be no poor folks. Strategies are similar to screening except finding stocks without screening such as finding stocks via headline news (Chapter 18). This book also includes when and why you want to sell the stocks you bought (Section V). This book is not written by a journalist but by one who uses screens successfully every week. From my real experience, there are screens for different purposes such as stocks for long-term, short-term and momentum. Some screens work better in different phases of a market cycle. We also have to monitor the result performance of our production screens (Chapter 1) to ensure to use the screens that perform best recently. This book belongs to the series Debunk the Myths in Investing that covers most if not all topics in investing. Many chapters have been copied from Debunk the Myths in Investing. If you have been using screens already, skip Chapter 3 and Chapter 4. Chapters from 5 to 8 describe the filter metrics such as PE. Section II describes how to achieve better result from some common screens including Dogs of Dow screen and AAll screens. Section III describes various strategies using fundamentals while Section IV using technical analysis. Screening is one of my three strategies to find...
