Scribe Publications, Australia, 2016. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. A dazzling novel about an Italian ice-cream dynasty, tradition, ambition, and the sensation of lemon sorbet melting on your tongue. In the far north of Italy lies the valley of the ice-cream makers: about a dozen villages where, for generations, people have specialised in making ice cream. Giuseppe Talamini claims it was actually invented here. Every spring his family sets off for the ice-cream parlour in Rotterdam, returning to the mountains only in winter. Eldest son Giovanni Talamini decides to break with this tradition by pursuing a literary career. But then one day his younger brother Luca approaches him with a highly unusual request. Now Giovanni faces a dilemma: serve the family s interests one last time or choose his own path in life, once and for all.
