Paulist Press International,U.S. Paperback. Book Condition: new. BRAND NEW, Walking in Newness of Life: The Sacraments of Initiation, Robert Sargent, "Walking in Newness of Life" offers an insightful combination of the theology and spirituality of the Sacraments of Initiation in a most accessible way. The book explores the history and development of each of the three sacraments of Initiation: Baptism, Confirmation, and Eucharist, and draws upon the biblical foundations of each. It also finds a firm basis in the teaching of the Church mindful of the contemporary reader and the issues that confront the church today in practicing these three Rites of Initiation. Throughout the book are reflection questions useful for individual readers and discussion/study groups. Unique in its combination of theology with biblical background and spirituality, this book has been time tested in parish and college groups, who learned much and encouraged the author to turn it into a book.
