

Best Stocks 2016 as of 12/10/2015 (Paperback)

By Tony Pow

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Here is a list of my best stocks for 2016. I categorize them into 2 groups: Value and Growth. Select the category that fits your investing objective(s). The stock selection is quite similar to my last book, Best Stocks for 2014. It selects stocks according to the current market conditions. In addition, a simple market timing technique is included to tell you when to exit the market and when to return to the market. Remember that you re paying for my research about \$10 (Kindle version). It is a bargain if it can make money for you. For my last book, Best Books for 2014, it has been a great bargain. However, there is no guarantee for future performances. I do not list charts and current metrics of all recommended stocks as in most other similar books do. First it would cut down many trees unless it is in digitized format. Second, all the information will be obsolete by the time you read this book. Instead, I include the instructions on how to re-evaluate the...

Reviews

The best publication i actually study. It is probably the most awesome ebook i actually have study. You are going to like the way the article writer publish this publication.

-- Ms. Harmony Simonis I

This pdf may be worth acquiring. It can be writter in easy words and phrases and not hard to understand. I am pleased to tell you that this is basically the finest book i have read through during my personal existence and might be he greatest pdf for at any time.
