HarperCollins Publishers Inc. Paperback / softback. Book Condition: new. BRAND NEW, Bounce, Noelle August, When you have one chance to become a star, you can't let love get in the way . . .Playing the occasional club gig just isn't cutting it for twenty-two-year-old cellist Skyler Canby, who's trying to support herself and her mother back home in Kentucky. When she accompanies her best friend Beth on an audition for the first feature film launched by Blackwood Entertainment, she figures, Why not? Beth's a shoe-in for the lead, but maybe Skyler's newly dyed pink hair will help her stand out enough to score a small speaking part.Never in her wildest dreams does Skyler imagine she'll land the lead role or that she'll have her socks knocked off by the kiss her audition partner, Grey Blackwood, plants on her a kiss that feels very real and not at all like acting.Reckless musician Grey Blackwood spends his days fetching coffee and doing odd jobs on the set of his CEO brother's newest project, but he lives for nights when he performs with his band. He knows that if he can stay focused, success as a singer is just around the corner. But that's tough with a distracting pink-haired girl occupying his every waking thought. Skyler and Grey have every reason to resist each other. But, like a song neither of them can get out of their minds, they have no choice but to go where the music takes them."
