The Model 1917 Enfield has long been a favorite American collectible. Over the years, it has been sporterized for hunting and restored for collecting by thousands of shooters. Parts are commonly available and many P-14 parts are interchangeable with M1917 parts, making it quite easy to return a given rifle to original condition. As in the previous two volumes, Mr. Stratton has provided a detailed description of each rifle on a part by part basis and noted whether or not the particular part is interchangeable between the...
