As you study and apply the lessons, your success will improve week by week, earning you very high marks on your report card for life! Isn't it time to invest in yourself? As Napoleon Hill says, 'Clearly define to yourself what you want to attain in life. Say to yourself: I can do it. I can do it now. Make a plan and chart the steps you must take to reach your goal. Take them one at a time, and you will find that with each success the next step comes easier as more and more people are attracted to help you achieve your ultimate purpose.' 'Today is the first day of the rest of your life. Are you satisfied with where you are and the direction you are going? If not, take control of your life and change whatever needs to be changed. You and only you have the power to do this. You can change your world.' Printed Pages: 138.
