"Terrorism, jihad, fundamentalism, blowback . These and other highly charged terms have saturated news broadcasts and everyday conversation since September 11 . But to keen ears, their meanings change depending upon who's doing the talking . So what do these words really mean? . And what are people trying to say when they use them? . Each of the fourteen essays in Collateral Language offers an informed perspective on a particular word or phrase that serves as a building block in the edifice of post-World Trade Center rhetoric . In some cases this involves...
