

The Innsmouth Tabernacle Choir Hymnal (Paperback)

Filesize: 1.08 MB

Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Ms. Fatima Erdman)

THE INNSMOUTH TABERNACLE CHOIR HYMNAL (PAPERBACK)

Wildside Press, United States, 2010. Paperback. Book Condition: New. 230 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.Here gathered in one place are many of the most celebrated and moving hymns of the Great Old Ones, certain to summon winged horrors down from the sky, or nameless things from out of the Earth s depths. These are the authentic liturgies celebrated at Dagon Hall in Innsmouth, Massachusetts. Also suitable for picnics and parties. Brother Darrell Schweitzer has provided hymns for Cthulhu Prayer Breakfasts at the Necronomicon convention for some years, where he has also conducted Lovecraft tours in the College Hill area of Providence. While he has shambled among us for less than three quarters of a century, and therefore has not yet begun the change characteristic of Dagon s hierophants, he nevertheless, as the Rev. J. Apocalypse Gibber, Jr. notes in the introduction, has the look. He co-edited Weird Tales magazine for many years and is the author of numerous fantasy and horror stories. Inspirational. My mother used to sing me to sleep with these. Sometimes my father did too. -- Wilbur Whateley I will always support faith-based initiatives of this sort. -- George W. Bush I would sing along if I could carry a tune in a bucket. Unfortunately, I don t have a bucket. -- Lee Weinstein Far out! I can dig it! -- Franz Kafka Searchers after horror haunt strange, far places. For them are the catacombs of Ptolemais, and the carven mausolea of the nightmare countries. They climb to the moonlit towers of ruined Rhine castles, and falter down black cobwebbed steps beneath the scattered stones of forgotten cities in Asia. But actually, they need look no farther than this book. -- H.P. Lovecraft.
