A recognized leader in the plastic surgery field, Dr. Copeland draws on years of clinical experience to guide readers through the myriad of options for cosmetic enhancement. With input from dozens of patients, complex-sounding procedures -- from face-lifts and breast surgery to liposuction and tummy tucks -- are demystified and defined, enabling readers to approach their doctors with confidence and gain the knowledge necessary to make an informed decision. Dr. Copeland also details nonsurgical lunchtime fixes such as Botox injections, light-laser treatments, and collagen injections, as well as topical peels and creams to banish wrinkles and improve appearance without recovery time.
