Reviews

This type of book is almost everything and helped me hunting forward and more. I was able to comprehended almost everything using this published e pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Edwardo Ziemann)

THE MAN WHO QUIT MONEY

Penguin Putnam Inc. Paperback. Book Condition: new. BRAND NEW, The Man Who Quit Money, Mark Sundeen, In 2000, Daniel Suelo left his life savings-all thirty dollars of it-in a phone booth. He has lived without money-and with a newfound sense of freedom and security-ever since. The "Man Who Quit Money" is an account of how one man learned to live, sanely and happily, without earning, receiving, or spending a single cent. Suelo doesn't pay taxes, or accept food stamps or welfare. He lives in caves in the Utah canyonlands, forages wild foods and gourmet discards. He no longer even carries an I.D. Yet he manages to amply fulfill not only the basic human needs-for shelter, food, and warmth-but, to an enviable degree, the universal desires for companionship, purpose, and spiritual engagement. In retracing the surprising path and guiding philosophy that led Suelo into this way of life, Sundeen raises provocative and riveting questions about the decisions we all make, by default or by design, about how we live-and how we might live better.
