Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE MINIMALIST DRIFTER (PAPERBACK)

David Edwards thought this was as good as it gets. He had no reason to rock the boat. But it got rocked anyway. A business failure. A divorce. No possessions. This was suddenly David s new life. Circumstances had conspired to make him look within. Deeply. Did he want the 9 to 5? Were the possessions worth the price? Over time he realised that he didn t need the boat. Or even a life jacket. Read how he s learnt to live his life simply. This book will change your life - it s much more than just paring down the stuff we buy. It covers all aspects of the new way we must live to help Mother Earth, including living a minimalist lifestyle and spiritual minimalism.
