Huntington Press. Paperback. Book Condition: new. BRAND NEW, Tax Help for Gamblers: Poker & Other Casino Games (2nd Revised edition), Jean Scott, Marissa Chien, The complete tax implications of gambling are a big mystery to gamblers, accountants, and even the Internal Revenue Service itself. The IRS offers surprisingly few details to guide gamblers through the tax maze and what it does say is often general, vague, even contradictory. Tax Help for Gamblers, first published in 2007, deals with the innumerable nuances and gray areas of gambling and taxes. It covers all the whys and wherefores of this complex subject, including tax-code specifics, record-keeping, filing your tax return, state-tax considerations, and audits and other tax problems. Numerous charts and forms help you see the practical application of the information. This book is for recreational and professional gamblers, including low and high rollers, table-game and machine players, video poker and live poker players, online enthusiasts, international and cruise ship players, and people who live or gamble in states with income taxes. Whether you're a do-it-yourself tax filer or you use a tax professional, Tax Help for Gamblers is an indispensable guide to staying square with the taxman.
