NORMA VALLY'S KITCHEN FIX-UPS: MORE THAN 30 PROJECTS FOR EVERY SKILL LEVEL

Turner Publishing Company. Paperback. Book Condition: new. BRAND NEW, Norma Vally's Kitchen Fix-Ups: More Than 30 Projects for Every Skill Level, Norma Vally, The DIY trend for women involves more than knitting and sewing: today more women are tending to their homes, and they're not just sewing curtains and arranging flowers. They're installing new toilets, laying ceramic floors in the kitchen, and drywalling the den. With 23 percent of all power tool purchases in 2004 made by women, and the number of unmarried females owning homes climbing by nearly 4 million owners from 1994 to 2002, when it comes to home repair, maintenance, and improvement, these sisters are doing it for themselves. At the same time, a survey by Home Depot found that 73 percent of women would like to learn more about tackling home improvements. But who has the brains, brawn, and beauty to really understand a woman's perspective and give her the confidence to conquer what had traditionally been men's territory? Norma Vally. Norma Vally is a rare combination: construction worker, former model, television and radio host. As the host of Discovery Home's Toolbelt Diva, Norma showed women how to throw out the Honey Do lists and "Honey, do it yourself." She's beautiful, sassy, confident, and competent, and with a radio show, a line of tools, a website, and her top-rated TV show she is a franchise dedicated to educating women on home repair, maintenance, and improvement. The Norma Vally book series is as sassy as Norma, packed with real-world tips showing women how to take charge of their homes. This four-color, fully illustrated series provides a basic overview of big-picture renovation. In Norma Vally's Kitchen Fix-Ups, Norma guides the reader through determining not only how to do the work, but how to determine what is right for...
