Now everything she thought she knew-and everyone she thought she could trust-has changed. The truth about who she is and where she came from is a secret so deep, it will rock the Hollows and the Tesla Institute alike. During a test to verify her bloodlines, Stein makes a terrible discovery. She is carrying a rare genetic mutation that is slowly killing her. Unsure who to turn to and running out of time, she has no choice but to turn to Tesla-her most hated enemy-for help. But can she trust the man who she s been fighting against her whole life, or will she end up another piece in his deadly game of cat and mouse with the people who betrayed her so long ago?.
