

Technology and Spirituality: How the Information Revolution Affects Our Spiritual Lives (Hardback)

By Stephen K. Spyker

Jewish Lights Publishing, United States, 2008. Hardback. Book Condition: New. 231 x 155 mm. Language: English . Brand New Book. Can you live a spiritual life in a hyperconnected world? Technology is part of what defines us; it's part of what makes us human. More than that, the technologies we adopt affect the very type of humans we become. The tools we choose to use and how we use them affect how we think, how we make decisions, how we relate to one another, how we construct knowledge, even how we think about God. from the Introduction Every day, new technologies affect your life at home, at work and at play. But how often do you pause to consider how your computer, mp3 player, cell phone, or PDA influence your spiritual life your beliefs, your faith, your fundamental understanding of God? With wit and verve, Stephen Spyker leads you on a lively journey through the many ways technology impacts how we think about faith and how we practice it. He explores the role of new spiritual communities, the personal relationships we have with our gadgets, our changing expectations, helping you to think about the many, often subtle, ways technology...
